GLOBAL MISSIONS PRAYER GUIDE

OCT-DEC 2026

Welcome to the missions prayer guide!

God's desire is that people from all nations, tribes and languages would know, love and follow him--that they would offer him worship from the heart. In Revelation 7:9-10, we see a beautiful, prophetic picture of the end of time: *After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, 'Salvation belongs to our God who sits on the throne, and to the Lamb!'*

Isn't that beautiful? Jesus is so worthy of praise from all peoples. And that is why we send missionaries—people who go across cultural lines to bring the good news of Jesus to those who don't yet believe. Whether you've donated to global missions and faithfully prayed for missionaries for many years or whether this is your first step into exploring God's heart for the nations, welcome! Our desire is that the following pages would be a companion and guide for you as you seek to share in God's heart for the nations. In these pages, you'll meet the missionaries Faith supports, people that are dear to our hearts who are seeking to make Jesus known all over the world. We hope you come to know and love them through these glimpses into their lives and ministries.

You'll also learn about the needs of the unreached world. What is "the unreached world"? Did you know that over 40% of the global population—nearly 3.5 billion people—still live in what are known as unreached people groups (UPGs)? A UPG is a group of people where less than 2% of the population are followers of Jesus. Very often, in these people groups, there are no churches and no Bibles in their heart language. Most have never heard the name of Jesus and will never meet a follower of Jesus in their whole lives. Can you believe that? Over 3 billion people don't follow Jesus not because they have rejected him but because they have never even heard of him.

At Faith, we are praying not just that God would reach those who don't yet know him, but that he would use us to do it. That can be a scary prayer, but Jesus is worth any sacrifice. He gave up everything to come and save us. Would you join us in praying that the Gospel would advance in all the places where we are supporting missionaries around the world? Will you pray for the 40% of the world who still needs the chance to hear the good news for the first time? We can count on God to respond, to show us where he is on the move and invite us in. I can't help but think if we commit to praying this way consistently, things in this world will change. And I think we'll be changed, too.
